INDEX

Volume 26 • Issue 58 • 1984

Compiled by Patricia A. Fletcher

This issue comprises all of Volume 26

Mountains are listed by their official names and ranges; quotation marks indicate unofficial names. Ranges and geographic locations are also indexed. Unnamed peaks (e.g., Peak 2037) are listed following the range or country in which they are located.

All expedition members cited in major articles are included, whereas only the leaders and persons supplying information in the **Climbs and Expeditions** section are listed.

Titles of books reviewed in this issue are grouped as a single entry under **Book Reviews.**
